

SDVOSB Cybersecurity Compliance & Program Management Specialist | Federal Mission-Critical Environments

CyberIQX is an SDVOSB-certified cybersecurity compliance and program management specialist supporting federal mission-critical environments through **Risk Management Framework (RMF) execution, Authority to Operate (ATO) support, NIST 800-53 control implementation, and FedRAMP advisory**. Led by TS/SCI-cleared executive leadership with **CISSP, A|CISO, Security+, PSM I, and M.S. in Cybertechnology**. CyberIQX delivers senior cyber depth, program management capability, and the SDVOSB advantage.

KEY PERSONNEL

Will Beckham, CEO — Active TS/SCI • CISSP • A|CISO • Security+ • PSM I • M.S. Cybertechnology

Senior cybersecurity executive with proven leadership in cybersecurity advisory, federal compliance positioning, FedRAMP readiness, and program management. Available for Key Personnel roles requiring TS/SCI-cleared senior cyber and program leadership under prime contractor facility clearance sponsorship — including Senior RMF Lead, ISSM, Cyber Program Manager, Senior Program Manager, Scrum Master, and Senior Cyber Advisor positions.
